8. The roll off can be left at your site for up to 7 days. After 7 days, there is a \$10.00 per day charge that you will need to pay at the time we pick the roll off up. YOU will need to notify us BEFORE the 7<sup>th</sup> day if you need to keep the roll off longer; otherwise it is automatically picked up the morning of the 7<sup>th</sup> day.
9. You are responsible for the contents of the load. If the load we pick up from your location is rejected at the dump site, we will bring the roll off back to you to remove the unacceptable contents. There will be an additional fee of \$150.00 for us to run the roll off back to you.
10. Payment is due before or at the time we drop the roll off at your location, unless you have an account with us with a good credit history.
